A Superior Offering

Once more I have had the obligation and the pleasure of inspecting the consignments for an Auglaize County Shorthorn Breeders' Association sale. They are for the sale to be held at Wapakoneta, Ohio, April 23, 1945.

It is remarkable how consistently and persistently the breeders who are members of this Association have improved their herds and hence their sale offerings throughout the twenty-nine years that I have known them. Of course, they are not all the same breeders who formed the Association almost thirty years ago. Some have died or moved away and others have taken their places. Improvement has been manifest year after year and this year the consignments rank with the best of any state or district sale in the Country.

All of these breeders are not residents of Auglaize County. Some of them live in other Ohio counties some distance away but they have been associated with this group of breeders for years and have been regular consignors to its sales. Influenced by the group as a whole, the individual members have bought better sires, have added superior foundation cows to their herds and have produced and are producing products that can go into the best of herds with profit to their owners.

A study of this catalog will show that every animal is bred from the best of Shorthorn bloodlines. The many illustrations of cattle that are to be sold and of sires in the herds of the sellers, show them to be of strictly modern type, true breed character, rich color and excellent conformation. There is a large number from which to select, many with calves at foot, and I do not hesitate to recommend to anyone in want of truly high class Shorthorns, to attend this sale and to buy.

In this sale will be found the sort of cattle upon which successful herds are built. Come to see them. You will not be disappointed.

Will Johnson of The Shorthorn World

29th Annual Sale

In this our 29th sale we will sell 72 of the best cattle ever sold by any association in Ohio.

Included will be fifteen cows with calves at side and rebred to the very best herd bulls money could buy.

The 24 bred heifers are especially attractive, well bred, grand individuals and carrying the service of the best bulls in Western Ohio. Seldom will you find as many really good bred heifers in any sale.

The 13 bulls several of which are pictured in this catalogue, mostly of serviceable age, are a splendid lot, good enough to head any herd of good cows. They are good individuals, good colors, in nice condition and exceptionally well bred.

As to open heifers, they will be the best of any ever sold by this association, sired by such noted bulls as: Roan Pat, Browndale Count, Browndale Stamp, Strowan Silver Flash, Irvine Hill Collynie, Broadhooks Fame, Edellyn Modern Mercury, Watt Acre Prince, Model Stamp, Maxwalton Matchmaker, Commander Robin, Maxwalton Mintmaster, Conners Browndale, Watt Acres Conqueror and others equally as good, are all of the present day type and many show prospects. Just a grand lot of heifers.

Every consignor to this sale has selected for his offering cattle of which he feels justly proud, and cattle which will improve the breed. The offering as a whole is superior to any this association has sold heretofore. To estimate their true value they must be seen, just arrange to be with us on April 23rd, and you will go home glad you were there.

ELM OAK MATCHMAKER 2222683

Mr. Good says that this probably is the best bull that has been sired by Maxwalton Matchmaker and you can expect something good as sons of Maxwalton Matchmaker have topped the last two association sales and his dam was sired by Browndale Duke, by Browndale Pilot, the bull that did such a grand job for T. Dorsey Jones. He is a solid red and ready for service; a full brother topped the 1944 sale, selling for \$500.00.

Woodshade Royal Pat is unusually smooth, thick, blocky and has a good red color. He has a masculine head, stands on short legs, is wide, deep and full in his quarters. He is a worthy son of the great Roan Pat and his dam is a great breeding cow. One of the full sisters of this bull topping one of the Auglaize Breeders sale.

STAMP'S HILDA A

Stamp's Hilda A is just a baby in ordinary flesh. She combines the blood of the famous bulls Browndale Commander, Milky-Way Masher, Raveni Masterpiece and Browndale Stamp. Certainly these sires should be a guarantee of her performance as a brood cow. You'll be impressed by her soggy conformation and red color. She is one of the oldest calves by our new herd bull Model Stamp by the champion Browndale Stamp who is making his bid as a great sire. To date he has sired 27 calves, twenty-five of which were red. They are as uniform as peas in a pod in color and conformation. We would welcome a visit by anyone before sale day to inspect this wonderful lot of calves. Stamp's Hilda A is vaccinated for bangs.

Stamp's Red Maud is another red, 11 months old baby by our popular young herd bull Model Stamp. She is very much the same type of the other young heifer in our consignment. Her mother has been a regular producer and is one of the good daughters of Woodshade Star who left as many good females as any bull we ever used. George Fisher and Sons topped one of the recent Auglaize County Sales with a good cow by him. Stamp's Red Maud is vaccinated for bangs.

Her rich, red, August heifer calf by our young herd bull, Model Stamp, is evidence of her ability as a brood cow. This is a three-in-one buy which is always a profitable investment. She was bred November 13, 1944, to the same bull, Model Stamp.
